Affairs
UMKC SCE

International Civil Partnership Program with UGM

1. 3+1+1 Pathway to Master Program

You will study three-years at UGM and a one-year at UMKC for your UGM bachelor degree, then you could pathway to UMKC Master program. GRE and Standard English Test are waived.

2. Dual Master Degree Program

Spend the same time (2.5 years) as other master students, but will be awarded 2 master degrees from UGM and UMKC. This unique offering allows you to fast-track your studies and graduate with greater expertise and career opportunities.
